Bishop Luers High School is a Catholic educational community that instills in each student dignity, integrity, respect and responsibility. Nurtured by Catholic truths each student is able to face the challenges in his or her own life spiritually, academically, and socially while serving God and others in a global and changing society. High academic standards continue to be the focal point at Bishop Luers High School. Students learn critical thinking and problem solving skills and benefit from small class sizes and personal attention. Students may choose from Advanced Placement, Dual Credit, Honors and Academic classes. Bishop Luers High School presents seven Advanced Placement classes that are accessible over four disciplines: math, science, history, and English. Additionally, four dual credit courses are conveyed in business, psychology, math and advanced theater arts, whereby students are able to earn both high school and college credits. Honor and academic courses are offered in math, science, English and history. Bishop Luers High School's art program is extensive, offering 19 different courses.
