Concordia Lutheran High School pursues Christ-centered educational excellence that equips individuals for lifelong learning and service as disciples of Jesus Christ.

Concordia has a different feel to it. It's calming, reassuring, familiar, and safe. It feels like home. Excitement about learning permeates Concordia, inside and outside the classroom. Enthusiastic and effective teaching engages and challenges our students for the next level of learning and prepares them for life.

We help our students see that all things are possible. We are open, accepting and inclusive. Our students embrace life and all people. They feel equipped and able to help others. They are confident and prepared to make a difference in the world.

Teachers, students and staff are part of a great and caring family. We learn and grow together in an atmosphere of respect and concern for one another. We recognize that God put us here for an important reason, and we are moved to be part of Concordia. We are transforming lives spiritually. The Concordia experience is

meaningful and powerful because Christ is at the center of our school.
