Lake Country Lutheran High School opened its doors in early 2000 and sits on 100 acres of some of the finest land in Hartland Wisconsin with a newly designed campus building that has quickly become one of the top small schools in the state of Wisconsin. The academic and athletic production of Lake Country Lutheran has allowed it to become extremely competitive in the academic arena with students graduating to some of the top Universities in the country. Lake Country Lutheran has a high commitment to nurturing every aspect of a young person's life. This approach not only involves the academic instruction but also focuses on the areas of spiritual and physical development. The staff understands that students will move onto five spheres of living in the future so the focus in preparation is on relationships, work ethic, civic life, education and becoming more global as they grow. The school is dedicated to sharing Jesus Christ with all people, and developing future leaders by providing relevant, rigorous academics and life preparation from a Christian perspective.
