Milwaukee Lutheran High School extends its education experience back to 1903 when Lutherans in Milwaukee started an educational system in the City of Milwaukee. Milwaukee Lutheran High School serves a very diverse culture with a College Prep Curriculum and a "Fresh Prep Program" which focuses its educational curriculum on core high school components providing students with the needed opportunity to refine their skills of reading, writing, the math and sciences. Milwaukee Lutheran boasts an outstanding facility with building improvements in the last 10 years that have helped to create a very diverse curriculum, a solid co-curricular component and a Music program that is one of best in the state of Wisconsin. The variety of academic disciplines in the school helps students prepare for College Prep, College Tech and Vocation opportunities that help prepare students for community service and opportunities the allow students to become productive members in society. The new Science and Math wings of the school have greatly enhanced the technology delivery of education in a world that is becoming increasingly dependent upon and frequent users of Technology.
