Founded in 1864 by the Racine Dominicans, St. Catherine's High School, grades 6-12, is a Catholic, Dominican institution dedicated to creating lifelong learners and leaders while upholding the pillars of the Dominican Order: community, prayer, service and study. The Middle School Program (grades 6-8) is designed to help our kids grow spiritually and mentally in preparation for grades 9-12 and beyond, while the high school curriculum is intended to provide a strong foundation of knowledge while allowing the opportunity to explore different fields of study. The school is dedicated to continuous innovation, and in the interest of preparing students to excel in an increasingly technological world, every Angel completes curriculum on an Apple iPad
